Supplemental Notice of Allowance

1. The original Notice of Allowance mailed 11/07/05 incorrectly cited canceled claim 10 as being allowed. Hence, a Supplemental Notice of Allowance has been created to correct the error and to accurately present the allowable claims as being claims 1-9, 11-26, 36; in accordance with Applicant's last amendment to the claims filed 6/8/05.

Allowable Subject Matter

2. Claims 1-9, 11-26, 36 are allowed.

Reasons for Allowance

3. The following is an examiner's statement of reasons for allowance:
Claims 1, 11 recite "a lip holder comprising at least two lip supporting positions".
Claim 20 recites "a multi-tiered lip holder means for...supporting the dock leveler at more than one position". It should be seen that Claim 20 is requiring "at least two lip supporting positions"; since Applicant's explicit use of "means for" claim language, clearly permits the multi-tiered lip holder of Claim 20 to have more than 2 lip holding positions as briefly disclosed in paragraphs [0071].

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
